^(a) In January 2015, following a comprehensive assessment of Canadian operations, Target's Board of Directors approved a plan to discontinue operating stores in Canada.

^(b) Adjusted diluted earnings per share from continuing operations (Adjusted EPS), a non-GAAP financial measure, excludes the impact of certain items. Refer to the slide "reconciliation of non-GAAP Adjusted EPS" under "summary financials" at investors.target.com for a reconciliation of Adjusted EPS to GAAP diluted EPS from continuing operations.

^(c) Diluted earnings per share includes the incremental shares assumed to be issued upon the exercise of stock options and the incremental shares assumed to be issued under performance share and restricted stock unit arrangements, to the extent dilutive.

^(d) The fourth quarter and full year 2023 consisted of 14 weeks and 53 weeks, respectively, compared with 13 weeks and 52 weeks in the comparable periods presented.

^(e) Earnings per share was computed independently for each of the periods presented; therefore the sum of the earnings per share amounts for the quarters may not equal the total for the year.
