

Target Community Giving

GiftCard Request Form

Our local stores care about the communities they are in. If your organization is a nonprofit 501(c)3 or accredited school, you may request a Target GiftCard donation.

To be considered, please fill out this form completely and bring it to your local Target store. You will need to provide a Government Affirmation letter or other IRS-provided letter for verification of your nonprofit organization or accredited school status.

GiftCard donations are available Feb.-Dec. as funding permits. An average donation is \$25-50 with the maximum donation of \$500 per year, per agency. Giftcards are available as electronic giftcards via email only. Target does not donate merchandise.

Name of Organization _____

Amount Requested \$ _____
